MOD invitations for foreign delegations to attend DSEi 05

The following countries received an invitation to send a delegation to DSEi 05, with countries that did not attend marked in orange with an asterisk:

Invitations follow a careful process involving MOD and other Government Departments. The Defence Export Services Organisation prepares the list of countries to receive official invitations. This takes account of current marketing campaigns and longer-term prospects for business. Government policy, arms embargoes and international relations imperatives are considered in the process by the Departments concerned.

A country’s attendance at DSEi does not mean that licences would be granted to export to that country any item of equipment on display at the exhibition. All applications from industry to export equipment are assessed on a case-by-case basis against the Consolidated EU and National Arms Export Licensing Criteria.
