Dear [Redacted],

Thank you for your email of 26 January where you requested the following information:

"Please could you provide me with a list of all licence applications since the start of 2008 that relate to the export of these weapons to Saudi Arabia:

a) Storm Shadow missiles  
b) Brimstone missiles  
c) Paveway guided bombs

Please identify: which of the above weaponry each licence applies to; the type of licence; the licensee; the goods Annual Report Summary and rating; the status of the case; if the case has closed, when it closed; and the status of the licence".

Under the Freedom of Information Act 2000 (‘the Act’), you have the right to:

- know whether we hold the information you require
- be provided with that information (subject to any exemptions under the Act which may apply).

I can confirm that the Department holds the information you have requested.

I attach an excel spreadsheet of the information you have requested for the licences granted.

A SIEL application was submitted for the export of the Brimstone missile, rating ML4a; annual report summary of air-to surface missiles. The application was withdrawn by the applicant in January 2014 and the case was closed down on 15 January 2014. As the application was withdrawn there is no status on this application and similarly, as no licence was granted there is no licensee.
